

# Summers Middle School

## Reimagined Days

### Day 2

### 6th Grade

**Instructions: Read ALL instructions carefully before you begin.**

1. Complete this packet on **Day 2** of Reimagined Days for Summers Middle School.

2. Fill in ALL information at the top of EVERY page if you print it off to complete work.

2. If you are completing this work on your own paper or on your computer, list the following at the top of EACH page to make sure your work is graded correctly:

- Your name
- Grade level
- Subject
- Teacher
- Date

4. Turn the completed work in to each course teacher on the first day you return to school.

\*\*If you have computer access at home and choose to do ALEKS or Exact Path to complete the requirements, instead of the following worksheets, you need to make sure you complete the following amount of time:

**ELA:** Exact Path (at least 30 minutes)

**Math:** ALEKS (at least 30 minutes)

**Social Studies:** Exact Path (at least 30 minutes)

**Science:** ALEKS (at least 30 minutes)

Your teacher will check off your work when they receive the report.

# Reimagined Day 2

Divide.

1.  $2 \overline{)58}$

2.  $4 \overline{)76}$

3.  $42 \overline{)882}$

4.  $31 \overline{)961}$

5. **CLOTHES** Mrs. Nicci had \$228 to spend on school clothes for her 3 children. If she spent the same amount of money on each child, how much money did she spend on each child?

Write each fraction in simplest form.

6.  $\frac{14}{70}$

7.  $\frac{5}{95}$

8.  $\frac{63}{81}$

9.  $\frac{12}{60}$

10. **CEREAL** Of the 35 types of cereal sold in a store, 15 are advertised to be whole grain. What fraction, in simplest form, of the cereals are advertised as whole grain?

## Reading/ELA Reimagined Day Assignments

### Summers Middle School

Choose 1 assignment from the selection below for each Reimagined Day. You must choose a different activity for each day. You may complete the activity on your computer and email it to your teacher using your O365 account, Schoology, or Google Classroom, or you can hand the assignment in as paper to your teacher when you return to school.

You may also complete **30 minutes of Exact Path** for any Reimagined Day instead of one of the options below.

<p><b><u>Biography Timeline</u></b></p> <p>Read a biography or research a significant person. Choose 10 significant events in the life of this person. Using these dates, create a timeline listing the dates and detailing the events. You may include at least 5 pictures.</p>	<p><b><u>Wanted Poster</u></b></p> <p>Make a WANTED poster for a character from a book you have read. Include a picture. You should also have at least 5 character traits that would help to identify this person.</p>	<p><b><u>Write a Letter</u></b></p> <p>Write a letter to a famous person asking him or her about his or her life and accomplishments. Research the famous person BEFORE writing the letter so you are knowledgeable in your questions. You must have 10 sentences.</p>
<p><b><u>Comic Strip</u></b></p> <p>Make a comic strip with 3 characters using different examples of figurative language. Include at least 3 examples.</p>	<p><b><u>Create a Book Cover</u></b></p> <p>After reading a book, recreate a book cover that could be used for this book. The cover must be appropriate for the content covered in the book. The title, picture, and the author should be included.</p>	<p><b><u>Read All About It!</u></b></p> <p>Create at least 4 newspaper headlines using a simile in each. Be sure to punctuate the titles correctly!</p>
<p><b><u>The Machine Ate My Homework</u></b></p> <p>Write a short story about a homework machine. Include at least 5 sentences using commas correctly.</p>	<p><b><u>Make Your Own A.R. Test</u></b></p> <p>Using a book you have read, create a test with at least 10 questions. Simply write your questions, provide 4 answer choices with one of the answer choices marked as being the correct answer.</p>	<p><b><u>Wish You Were Here!</u></b></p> <p>Create a post card with the front being a picture of an important setting from a book you've read. On the back write a letter from one character to another with a focus on the setting.</p>

## Science Reimagined Day Assignments

### Summers Middle School

Choose 1 assignment from the selection below for each Reimagined Day. You must choose a different activity for each day. You may complete the activity on your computer and email it to your teacher using your O365 account, Schoology, or Google Classroom, or you can hand the assignment in as paper to your teacher when you return to school.

You may also complete **30 minutes of Exact Path** for any Reimagined Day instead of one of the options below.

<b><u>Collage</u></b>	<b><u>Design</u></b>	<b><u>Research</u></b>
<p><b>Create</b> a collage of different photos that relate to one of the topics you have learned this year in science. You must include 10-20 images in the collage.</p>	<p><b>Design and sketch</b> a plan for an ecosystem around where you live. Draw and identify at least 5 different animals and 5 different plants that make up your ecosystem. Don't forget to add nonliving parts of your ecosystem as well.</p>	<p><b>Compile</b> a list of at least 10 websites where classmates may find more information about the science topic we are working on right now.</p>
<b><u>Crossword Puzzle</u></b>	<b><u>Changes in Matter</u></b>	<b><u>Word Search</u></b>
<p><b>Create</b> a crossword puzzle for others to solve using 10- 20 vocabulary words you've learned related to one of the science units we've studied so far. Include clues and an answer sheet.</p>	<p><b>Find and describe</b> at least 3 examples of physical changes and 3 examples of chemical changes that are occurring around your house. Identify why it is a physical or chemical change and why.</p>	<p><b>Create</b> a word search puzzle using vocabulary from any science unit we've studied so far. This puzzle must include at least 20 words. Use all capital letters.</p>
<b><u>Research</u></b>	<b><u>Microorganisms</u></b>	<b><u>News</u></b>
<p><b>Learn</b> more about a person who made important contributions to science. <b>Write</b> a biography about the person and his/her accomplishments. Include at least 10 facts.</p>	<p>Microorganisms (both helpful and harmful) can be found on every surface in your house. <b>Describe</b> at least 5 examples of microorganisms at work around your house. Then, <b>List</b> at least 5 different ways that you and your family can protect yourself from harmful microorganisms.</p>	<p><b>Watch</b> the news tonight or look up a news story online. Choose one <b>science</b> related story from the news to reflect upon. <b>Answer</b> 3 of the following questions: Why did you choose this story? Why is the information important? How does it make you feel? What action should be taken? What would you do to solve the problem?</p>
